**LEGAL SERVICES FOR THE
HEALTH CARE INDUSTRY**

Your health care legal advisors

“The attorneys are knowledgeable concerning their specific areas of expertise. They are extremely responsive and keep me up to date on all matters they are handling.”

— Stoel Rives Health Care Client

We provide a multidisciplinary approach for our health care industry clients. With a team of highly experienced attorneys, clients receive strategic, timely and cost-effective legal counsel on virtually any aspect of their business.

Our clients

- Hospitals & Health Systems
- Physicians & Physician Organizations
- Freestanding Treatment Facilities (Diagnostic Radiology; Ambulatory Surgery; Radiation Oncology)
- Retail, Specialty & Mail Order Pharmacies
- Federally Qualified Health Centers
- Behavioral Health Facilities & Programs
- Medical Device Manufacturers & Distributors
- Medical & Dental Practice Management
- Information Technology & Business Process Outsourcing

With a strong commitment to delivering exceptional client service, the Stoen Rives Health Care Law Team includes lawyers who know the complex laws and regulations that apply to the health care industry, and lawyers with a broad range of legal skills. This combination allows our team to address health care clients' wide variety of needs. Our health care industry legal services include the following:

Antitrust

Counsel on compliance with federal and state antitrust laws and laws governing unfair competition, including laws relating to agreements among competitors, mergers and acquisitions, and other competition-related regulations.

Compliance and Regulatory

Compliance plans, facility and professional licensing requirements, certificate of need, reporting requirements, consent to treatment, regulation of risk-bearing entities, pharmacy regu-

lation, provider contracting requirements, Medicare and Medicaid provider enrollment and Conditions of Participation, medical staff bylaws, credentialing and peer review.

Data, Privacy and Security

Advice on all aspects of HIPAA and other state and federal privacy and security laws, including HITECH, and responding to audits and enforcement investigations.

Fraud and Abuse

Defend clients against government and *qui tam* allegations, and help clients prevent errors that may result in fraud and abuse charges.

Government Reimbursement

Assist clients in prevention and early identification and resolution of reimbursement errors; organizing compliance programs; navigating

government payment rules; and, when necessary, disclosing overpayments.

Health Information Technology

Counsel clients on matters related to clinical information systems, software and hardware development or purchase, data repositories, patient health portals and other health information technology systems.

Stark Law and Anti-Kickback Statute

Review proposed transactions, contracts, leases, joint ventures and other financial arrangements for compliance with Stark and Anti-Kickback Statute requirements.

Other Services

In addition, our team includes lawyers with health care industry experience who practice in a broad range of specialties, including:

- Business and Transactions
- Corporate Governance
- Construction
- Employee Benefits
- Insurance
- Intellectual Property
- Labor and Employment
- Land Use
- Litigation
- White Collar Crime
- Real Estate
- Securities and Finance
- Tax
- Exempt Organizations
